ORDER:

In his letter read above, the Inspector-General of Registration has made the following suggestions:--

(i) that in the interests of administration, the clerks of the administrative section of the District Registrars' offices and peons attending to work in the records section of the District Registrars' offices may be exempted from the operation of the rule which prescribes that, except in the case of purely ministerial posts and inferior services, no officer should be retained in the same local area for a continuous period exceeding three years; and

(ii) that the time-limit of general transfer in the case of ministerial posts and menial servants may be raised from three to five years, mainly on the ground that it would be extremely difficult for them to shift themselves from one place to another.

The Government have examined the suggestions of the Inspector-General referred to above and consider that the administrative difficulties pointed out by the Inspector-General in respect of ministerial and menial staff have arisen on account of the operation of paragraph 3 of G.O.No.1935, Revenue, dated 7th July, 1950. They accordingly direct that the orders in paragraph 3 of G.O.No.1935, Revenue, dated 7th July, 1950, be cancelled with immediate effect so far as the Registration department is concerned. The effect of the cancellation will be that there will be no upper limit for the retention of the clerks and peons of the Registration department in the same station. The Government however consider that an upper limit should be fixed so far as the clerks are concerned. They accordingly approve the proposal of the Inspector-General of Registration and direct that in the case of purely ministerial servants the time limit for general transfer be raised from three to five years. No transfer of

peons in the ~~in the~~ Registration department need however be made at any periodical intervals and they may be retained in the same station.
